LNBTI Students Selected for IT Internships in Japan

Another four talented students from LNBTI have been selected for competitive IT internships at a leading Japanese technology company in Aichi Prefecture — a proud reflection of the global opportunities created by our unique Japan-oriented education model.

At LNBTI, we guide students from O/L and A/L stages to achieve both academic excellence and professional readiness, combining world-class IT education with Japanese language mastery and cultural immersion. These selected students have demonstrated exceptional commitment, achieving a minimum of Japanese Language Proficiency Test (JLPT) N3 certification alongside a high GPA.

During their internships, they will gain hands-on experience in cutting-edge

fields such as Software Engineering, Cybersecurity, and Data Analytics, while working alongside seasoned industry professionals.

LNBTI students are in high demand for fully funded internships of this nature. Many host companies express strong interest in offering full-time positions to our students after graduation, provided they perform well during their internship.

This achievement not only highlights the caliber of our students but also reaffirms the effectiveness of LNBTI's mission — preparing globally ready IT professionals for successful careers in Japan.

The students shared their thoughts as follows:

"I'm truly thankful for the opportunity to do my internship at a Japanese IT company.

It feels like a big step forward, and I couldn't have reached this point without the support from LNBTI throughout the process. To anyone dreaming the same — if you're ready to give your best and put genuine effort into both Japanese and IT, there are opportunities out there for you too. It may be challenging at the start, but with dedication and the right guidance, it's possible. Keep trying, keep learning! (*Dinithi Kawya*)

"I'm really happy to have been selected for my internship at Kawamura Electric Co., Ltd. LNBTI helped me throughout the whole process. Guiding me, preparing me for interviews, and encouraging me when I felt unsure. This experience has shown me how much small, consistent efforts matter and how having the right support can make challenges feel a lot more manageable." (*Ishini Shashikala*)

"I feel honored to be selected for an internship at a Japanese IT company. This opportunity means a lot to me, and I'm grateful for the guidance and encouragement from LNBTI throughout the journey. To others aiming for similar goals — build your skills while balancing both IT and Japanese, stay committed, and be ready when opportunities come your way." (Sasindu Rivishka)

"I'm thrilled to be selected for the Kawamura internship, a dream I've long cherished. LNBTI's guidance, training, and encouragement made this possible. To fellow students—stay focused, seek opportunities, and never stop learning. With passion and perseverance, your dreams can also become reality." (Dumidu Shanilka)

LNBTI students in Japan

Dewmi san, another LNBTI Graduate receives job offer from a Japanese IT Company

LNBTI proudly announces that Dewmi Attanayake, one of our dedicated and talented students, has received a conditional job offer as a Software Engineer from a prestigious Japanese IT company.

Dewmi joined LNBTI in 2021 with a clear vision — to build her career in Japan. Over the past four years, she has worked tirelessly to enhance her technical expertise, actively contribute to projects, and master the Japanese language, embodying the spirit of determination and global ambition that defines LNBTI students.

Reflecting on her journey, Dewmi shared:

“Getting selected wasn’t an overnight achievement—it’s the result of four years of dedication, consistency, and belief in myself. I’m deeply grateful to my lecturers, friends, and family for their unwavering support.”

Her achievement is a shining example of how LNBTI’s unique academic model—combining IT education with Japanese language and cultural learning—creates real global career pathways for our graduates.

Congratulations, Dewmi!
Your success inspires the next generation of LNBTI students to dream big, work hard, and make their mark on the world.

JASPER 2025 Research Symposium

The Lanka Nippon BizTech Institute (LNBTI) proudly hosted the JASPER 2025 Research Symposium on 26 September 2025 at the LNBTI City Building, under the theme “Transforming Knowledge into Action – A Japan–Sri Lanka Development Perspective.” The event brought together distinguished academics, researchers, and students to exchange ideas and explore collaborative opportunities in IT and innovation. The keynote address was delivered by Prof. Kazuaki Tanaka from Kyushu Institute of Technology, Japan,

followed by invited talks from professors representing leading Japanese universities. LNBTI students and faculty also presented their research findings, showcasing innovative projects that bridge academic theory with real-world applications. As Sri Lanka’s first Japanese IT university, LNBTI continues to strengthen academic and industry partnerships, empowering students to pursue global careers and contribute to sustainable development through technology and research.

LNBTI Students Advance Toward Global Careers in Japan

LNBTI is proud to announce that its talented students have been recruited by leading Japanese companies for prospective job placements in Japan. This achievement marks another significant milestone in LNBTI's continuous efforts to strengthen pathways for international employment and cross-cultural collaboration.

Equipped with strong IT competencies, Japanese language proficiency, and a global outlook, LNBTI students continue

to exemplify the professionalism, adaptability, and innovation that define the institute's graduates. These successful placements not only open doors to rewarding global careers but also reaffirm LNBTI's commitment to delivering an education that seamlessly integrates technology, language, and culture.

LNBTI takes great pride in witnessing its students transform aspirations into achievements — reaffirming our belief that, at LNBTI, dreams truly cross borders.

Recruited Students by leading Japanese companies

Once a student , Always part of LNBTI family

LNBTI proudly welcomed Mr. Chamud Gishara Pathirana, an inspiring alumnus who is now pursuing a successful career in Japan as an AI Engineer.

Chamud returned to his alma mater to share his remarkable journey — offering valuable insights into life in Japan, the rapidly evolving field of AI engineering, and the exciting opportunities that come with building an international career.

His talk resonated deeply with students, reminding them that dedication, continuous learning, and global vision can open doors to extraordinary possibilities.

Events like this not only strengthen our alumni network but also ignite ambition and confidence in the next generation of innovators at LNBTI — those who are ready to follow in his footsteps and make their mark on the global stage.

Mr. Chamud Gishara Pathirana receives a Certificate of Appreciation from the Vice Chancellor of LNBTI

Harmony in Culture: A Celebration of Japan– Sri Lanka Friendship at LNBTI Awards Ceremony

On July 13th, LNBTI proudly hosted a vibrant and meaningful cultural event that recognized the outstanding achievements of our students while strengthening the bonds between Sri Lanka and Japan. The evening was a rich tapestry of traditional dances, academic awards, and musical performances, blending artistry, and cross-cultural exchange into one memorable celebration.

The event served as more than just an awards ceremony—it was a celebration of unity, education, and talent. Students who excelled academically and demonstrated exceptional dedication were honored, reflecting LNBTI's commitment to nurturing well-rounded, globally competitive graduates. The

traditional dance performances symbolized the preservation of cultural heritage, while the musical acts showcased the creativity and versatility of our student community.

Adding an extraordinary dimension to the celebration, LNBTI was honored to welcome distinguished Japanese guests, including Mrs. Sawada Chikako, a renowned singer, and Mr. Atsushi Onozawa, a professional pianist. Their performances brought an authentic touch of Japanese artistry to the stage, creating an atmosphere of friendship and mutual respect. Mrs. Sawada's heartfelt Japanese songs and Mr. Onozawa's captivating piano pieces not only entertained but also deepened the cultural appreciation among participants.

Mrs. Sawada Chikako entertained participants with a Japanese song.

LNBTI Students Shine at Bon Odori Festival 2025

The Bon Odori Festival, held on July 12, 2025, at the National Youth Services Council Grounds, brought vibrant Japanese culture to life — and LNBTI students played a major role in making the day memorable.

From captivating traditional Bon dances to energetic J-Pop performances, our students lit up the stage. They also contributed behind the scenes, organizing a lively game stall and a photo booth, creating opportunities for cultural exchange and fostering a warm community spirit. The festival offered LNBTI students a unique chance to experience Japanese traditions firsthand — from wearing Yukata and performing in front of a cheering crowd, to enjoying authentic

Japanese food and participating in time-honored activities. Over 50 LNBTI students in beautiful Yukata costumes joined the Bon Dance, which became one of the most memorable highlights of the event.

Organized by the Japanese Embassy and the Japanese Solidarity Association, with support from JICA, the Japanese School in Colombo, the National Youth Services Council, and LNBTI, the festival was a resounding success. The renowned Japanese singer Sawada Chikako was invited for the Bon Festival as the chief guest and, we are happy to be the main coordinator to invite Sawada Chikako through our partner networks in Japan.

LNBTI Students Thrilled Participants with Traditional Japanese Bon Dances

LNBTI at the Heart of Cultural Collaboration

LNBTI at the Heart of Cultural Collaboration
On July 13th, Professor Ananda Kumara, President & Vice Chancellor of LNBTI and LNBTI Students, joined the recording of Rupavahini TV's special program featuring Bon Odori Festival 2025. The event celebrated cultural harmony between Sri Lanka and Japan, with interviews from key organizers including: H.E. Mr. Akio ISOMATA – Ambassador of Japan to Sri Lanka, Mr. Mikinaga HOTTA –

President, JSA and Mr. Kenji KURONUMA – Head of Cultural Affairs, JSA.

LNBTI proudly showcased its student talent through a vibrant Bon Odori performance alongside Japan Overseas Cooperation Volunteers (JOCV). The program also featured a special musical performance by renowned Japanese singer Ms. Chikako Sawada.

LNBTI's Vice Chancellor and Students, joined the recording of National Rupavahini (Television channel) TV's special program featuring Bon Odori Festival 2025

Meijo University × LNBTI: A Day of Cultural Exchange and Friendship

On August 6th, LNBTI had the pleasure of welcoming 29 students and Professor Yuri Sadoi — who has been officially appointed as a Visiting Professor of LNBTI — from Meijo University, Japan for a vibrant day of cultural exchange and collaboration.

The day's program began with engaging student presentations at the Main Campus, where participants shared insights into Sri Lankan and Japanese culture, education, and daily life. This was followed by a joint field trip to Colombo City, where mixed LNBTI–Meijo teams explored local environments, interacted with the community, and gained firsthand experiences of cross-cultural teamwork.

The event concluded with a lively standing buffet-style gathering at the City Campus, filled with laughter, music, and heartfelt conversations. Both Japanese and LNBTI students showcased their creativity and enthusiasm through presentations, performances, and cultural exchanges, highlighting the unique spirit of global friendship.

This memorable day truly celebrated international understanding, teamwork, and mutual respect, creating unforgettable bonds and memories for everyone involved.

Students shared fascinating insights into Sri Lankan and Japanese culture, education, and everyday life.

LNBTI Students Connect with Thai Peers in Cross-Cultural Japanese Language Exchange

Students of LNBTI recently participated in an enriching Japanese language exchange event with Saparachinee Trang High School, located in Mueang Trang District, Thailand.

The event brought together Japanese-learning students from both institutions, providing them with a unique opportunity to share their thoughts, experiences, and perspectives on language learning. Through interactive activities such as quizzes and presentations, participants explored cultural differences between Sri Lanka and Thailand while deepening their understanding of Japanese language and culture.

Students from Saparachinee Trang High School expressed their enthusiasm for

connecting with peers from another country who share a passion for Japanese. Likewise, LNBTI students gained valuable insights into the Thai perspective on learning Japanese, fostering a sense of mutual respect and appreciation for cultural diversity.

This exchange not only strengthened international friendships but also enhanced the students' motivation to continue their Japanese language studies. By engaging in cross-cultural dialogue, participants developed greater awareness of global perspectives, further supporting LNBTI's mission to nurture globally minded graduates ready to thrive in international environments.

Participants of the Language Exchange program

LNBTI Welcomes High-Level Delegation from Shizuoka Prefecture

LNBTI was honored to host a distinguished delegation from Shizuoka Prefecture, Japan, featuring CEOs and directors from leading Japanese companies across various industries.

The visit marked a significant milestone in strengthening the partnership between Sri Lanka and Japan in the field of higher education and technology. The delegates explored opportunities for collaboration, student internships, and long-term employment pathways for LNBTI graduates in Japan.

This high-profile visit demonstrates the growing international recognition and trust in the quality, discipline, and skills of LNBTI students. It also paves the way for expanded internship placements and career development programs that bridge academic learning with Japan's cutting-edge corporate environment.

LNBTI extends heartfelt gratitude to the Shizuoka delegation for their visit and looks forward to deepening ties that empower the next generation of globally capable Sri Lankan professionals.

Heartwarming Gifts from Japanese Friends

LNBTI was delighted to welcome a kind group of friends from Japan's central region, organized by the Taranga Friendship Group, an international NPO dedicated to fostering global friendship and cultural exchange.

During their visit, the group brought thoughtful gifts and warm encouragement, reflecting their lasting bond with LNBTI and genuine care for our students. Their kindness and sincerity once again reminded us of the deep human connections that have grown between Sri Lanka and Japan through years of collaboration and trust.

For many students, this visit was more than just a friendly exchange—it was a

heartfelt reminder that they are supported and valued even beyond borders. The Taranga Friendship Group has always treated our students like family, offering guidance, care, and countless opportunities to experience Japanese culture firsthand.

They are also expected to reunite with our students who have been selected for internships at a company in Nagoya Prefecture, for further cultural exchange, friendship, and shared experiences in Japan.

This warm encounter truly captures what makes studying at LNBTI special — strong international friendships, real career pathways, and lifelong bonds that continue to grow far beyond the classroom.

The visiting delegation presented a gift to LNBTI, which will serve to further enhance cultural understanding

A Big Shoutout to LNBTI Student – Ganindu Kanchana San!

Ganindu Kanchana San has shown that true generosity comes from the heart by donating books to our library — a simple act with a powerful and lasting impact.

These books will not only enrich our library collection but will also open doors to knowledge, spark curiosity, and inspire countless students on their learning journey. By sharing valuable resources,

Ganindu has contributed to building a stronger culture of reading, research, and self-improvement within our community.

Such acts of kindness remind us that each individual has the power to make a difference. Ganindu's thoughtfulness sets a beautiful example for others, proving that giving is an investment in the success of future learners.

Thurstan College Students Experience Japanese Culture at LNBTI

LNBTI was delighted to welcome a group of students from Thurstan College on 7th August for an engaging campus tour and cultural experience. The visit offered students an inspiring opportunity to explore LNBTI's vibrant academic environment while gaining insights into Japanese culture and heritage.

During the program, students participated in an interactive Origami workshop, where they learned the art of traditional Japanese paper folding and expressed their creativity through hands-on activities. They also toured

LNBTI's modern learning facilities and discovered how the institute integrates Japanese values, technology, and innovation within its unique education model.

The event was filled with learning, laughter, and cultural discovery, creating lasting memories for everyone involved. LNBTI extends its heartfelt appreciation to Thurstan College for being part of this enriching experience and looks forward to continuing such meaningful collaborations that inspire the next generation of learners.

Thurstan College Students at LNBTI

Wesley College Students Experience LNBTI's Vibrant Campus and Future-Ready Learning

LNBTI had the pleasure of welcoming the bright and enthusiastic students of Wesley College for an engaging campus tour and interactive workshop.

The visit was an inspiring day filled with learning, exploration, and meaningful connections. Students had the opportunity to experience firsthand the vibrant campus life at LNBTI, explore our cutting-edge facilities, and immerse themselves in elements of Japanese culture. They also gained valuable insights into the world of

technology and innovation, offering them a glimpse into exciting future career possibilities.

The event fostered curiosity, broadened perspectives, and showcased the unique blend of IT education and Japanese cultural integration that sets LNBTI apart.

LNBTI extends heartfelt thanks to everyone who contributed to making this visit a success. We look forward to seeing some of these talented young minds join the LNBTI family in the years to come.

Exploring Campus, Embracing Japanese Culture

Bridging Culture & Technology at Southland College's Japanese Day

LNBTI proudly participated in Southland College's Japanese Day, an event that beautifully showcased the harmony between culture and innovation.

The celebration provided a vibrant platform for students and educators to experience the richness of Japanese traditions while exploring how technology continues to shape the future. LNBTI's presence highlighted the institute's mission to integrate Japanese cultural values with modern IT education, reflecting the spirit of collaboration between Japan and Sri Lanka.

During the event, students and teachers enthusiastically engaged with the LNBTI

team to learn more about the institute's Ministry of Education–approved IT degree programmes in Software Engineering and Information Systems. Discussions focused on how LNBTI's unique academic model prepares students for global career opportunities, particularly in Japan, while nurturing qualities such as discipline, teamwork, and respect rooted in Japanese culture.

By participating in events like Southland College's Japanese Day, LNBTI continues to inspire the next generation of learners to embrace both technological advancement and cultural appreciation—bridging nations, ideas, and futures.

A/L Japanese Paper Discussion with Anju Sensei Guiding students with insights and exam tips for success!

LNBTI recently hosted a special discussion session on the 2025 Advanced Level (A/L) Japanese Language Paper, conducted by Anju Hewage Sensei, the Former President of the Sri Lanka Japanese Language Teachers' Association.

The session provided an invaluable learning experience for students preparing for the A/L Japanese examination. Anju Sensei shared her deep expertise, offering insightful guidance on grammar, vocabulary, reading comprehension, and essay writing techniques. Students were also introduced to effective time management strategies, answer structuring tips, and practical approaches to improve their overall exam performance.

Throughout the session, students actively engaged with Sensei, clarifying doubts and gaining confidence to face the upcoming examination with a clear plan and renewed motivation. The atmosphere was both interactive and inspiring, reflecting LNBTI's continuous commitment to high-quality Japanese language education.

As Sri Lanka's first Japanese IT university, LNBTI is proud to support young learners in mastering the Japanese language — a vital skill that opens pathways to higher education, internships, and global career opportunities in Japan.

Vice Chancellor Strengthens Global Academic Ties through Key Engagements in Japan

Vice Chancellor of LNBTI and President of the Japan Association for Global Competency Education (JAGCE), has recently played a prominent role in multiple high-profile academic and cultural initiatives in Japan.

In an online follow-up session for the JICA-JOCV Sri Lanka Study Tour, organized by the Aichi Support Organization at the JICA Chubu Center in Nagoya, the Vice Chancellor joined Japanese participants to reflect on their recent visit to Sri Lanka. Marking the 60th anniversary of the Japan Overseas Cooperation Volunteers program, the tour included embassy visits, project site inspections, and a highlight series of six interactive workshops at LNBTI. Japanese participants praised the enthusiasm and aspirations of LNBTI students, with several expressing interest in supporting future initiatives.

The Vice Chancellor also delivered a distinguished lecture at Eikei University of Hiroshima as part of its Intensive English Program. His talk, “Embracing Globalization: Empowering Youth and Energizing Japan,” drew on over four decades of experience in Japan to emphasize the importance of

nurturing global talent, fostering open-mindedness, and building international leadership capacity. The lecture was made possible with the support of Prof. Yuko Uesugi and JAGCE.

Additionally, at the Hokkaido Conference of the Japan Association for Global Competence Education—held under the theme “Developing Global Talent in the New Information Era”—The Vice Chancellor delivered the Opening Address. Speaking to a Japanese audience, he highlighted Asia's rising role in global innovation and urged educators and industry leaders to collaborate in harnessing the potential of the region's youth. Showcasing LNBTI as South Asia's first Japan-affiliated IT university, he underscored its mission to produce IT graduates fluent in Japanese language and culture, ready to thrive in cross-border careers.

Through these engagements, The Vice Chancellor reinforced LNBTI's position as a bridge between Sri Lanka and Japan, advancing global talent development and fostering meaningful academic and cultural exchange.

Distinguished Academics from Japan and Sri Lanka Visit LNBTI to Explore Future Collaboration

LNBTI recently welcomed two distinguished academics – Dr. Priyantha Mudalige, Director of the Sri Lanka Institute of Local Governance (SLILG), and Professor Saliya De Silva of Saga University, Japan – for discussions on potential academic and research collaborations. Both scholars hold doctoral degrees from Japanese universities and have previously engaged in academic initiatives organized by Professor Ananda Kumara, Vice Chancellor of LNBTI, during his tenure in Japan. Professor Saliya De Silva is widely recognized for his research

on international labor migration, while Dr. Mudalige is an expert in decentralization and provincial-level service delivery in Sri Lanka. During their meeting with the Vice Chancellor, the scholars emphasized the importance of adapting Japanese best practices to address key developmental challenges in Sri Lanka. They expressed their shared interest in collaborating with LNBTI to bring innovative solutions in shaping future joint initiatives. “Japan offers a wealth of practical models that can inspire positive change in Sri Lanka”

Professor Saliya De Silva and Dr. Priyantha Mudalige with the Vice Chancellor

The Vice Chancellor's Message

Prof. Ananda Kumara

President/Vice Chancellor, LNBTI
President, Japan Association for Global
Competence Education (JAGCE)

Now, there is no need to make onetime payment of millions of rupees to the agents to find a job in a highly developed country like Japan. Pay the LNBTI program fee in installments, and gain your competence as required in the Japanese industry. The path is now clear for all LNBTI students:

1. Study IT diligently at LNBTI and perform well in your exams.
2. Develop your Japanese language skills to at least JLPT-N3 level to communicate effectively.
3. Succeed in company interviews to secure your opportunity.

Remember, both IT and Japanese language skills are equally important. Having only one of them will not be enough. To work successfully in Japan, you need both. No exceptions.

Now, the dream is within your reach — the day you can proudly say, “Mom, Dad, please allow me to go to Japan to work at a Japanese IT company!” This dream belongs not only to the students or parents but also to all of us at LNBTI. We wish to see your bright, smiling faces when you achieve this success.

To make that dream come true, you must also cultivate the right attitude and behavior — values that align with Japanese professionalism. Japanese companies are eagerly waiting for talented young people like you. So, start preparing yourself today, not tomorrow.
Best of luck!

In early September, LNBTI received wonderful news — seven of our students were selected for fully funded internship opportunities at top Japanese IT companies.

These internships are truly special, as they cover return airfare between Japan and Sri Lanka, accommodation, food, and all job-related travel expenses in Japan. The students were selected purely based on merit. LNBTI proposed several names, and the respective Japanese companies independently selected seven among them.

What do these students have in common?

They all have excellent academic performance with high GPAs, and they have all passed the JLPT N3 level by the time they applied. The interviews were conducted entirely in Japanese, and those who successfully impressed the interviewers were given the opportunity to begin working in Japan — even before completing their degree! These students are currently in their third year, with one more year to go before graduation.

They are the pioneers of LNBTI's new academic concept —
“Study in Sri Lanka and Work in Japan as an IT Professional.”

සැප්තැම්බර් මස ආරම්භයේදී LNBTI වෙත ඉතා සතුටුදායක පුවතක් ලැබුණි - අපේ ශිෂ්‍යයන් 7 දෙනෙකුට ජපාන තොරතුරු තාක්ෂණ සමාගම්වල සම්පූර්ණ වියදම් අනුමත කල පුහුණු අවස්ථා ලැබුණි!

මෙම අවස්ථා මගින් ශ්‍රී ලංකාව හා ජපානය අතර ගුවන් ගමන්, නවාතැන්, ආහාර හා ජපානය තුළ සේවා අදාළ ගමන් වියදම් ආදී සියල්ලම ආවරණය වේ.

මෙම ශිෂ්‍යයන් තෝරාගැනීම සම්පූර්ණයෙන්ම දක්ෂතා මත පදනම්ව සිදුවිය. LNBTI විසින් අයදුම්කරුවන් ලෙස නාමාවලි ලබාදුන් අතර, සමාගම්වල ජපාන කම්ටු විසින් තමන්ට වඩාත් සුදුසු ශිෂ්‍යයන් 7 දෙනා තෝරාගෙන ඇත.

මෙම ශිෂ්‍යයන්ගේ පොදු ලක්ෂණ මොනවාද?

ඔවුන් සියලු දෙනා ඉතා උසස් GPA සහිතව IT අධ්‍යයන වල දී දැක්වූ විශිෂ්ට කාර්ය සාධනයක් දක්වමින්, අයදුම් කළ වෙලාවේදී JLPT N3 මට්ටම සමත් වී ඇත.

සම්මුඛ පරීක්ෂණ සියල්ල සම්පූර්ණයෙන්ම ජපන් භාෂාවෙන් සිදු වූ අතර, ඒ තුළ සාර්ථකව ප්‍රතිචල ලබාගත් ශිෂ්‍යයන්ට පාඨමාලාව අවසන් කිරීමට පෙර ජපානයේ වැඩ කිරීමට ඇති අවස්ථාව හිමි විය.

ඔවුන් වර්තමානයේ තෙවැනි වසරේ අධ්‍යයනය කරමින් සිටින අතර, උපාධිය ලබා ගැනීමට තවත් එක් වසරක් ඉතිරිව ඇත.

ඔවුන් LNBTI හි නව අධ්‍යාපන මගපෙන්වීමේ පද්ධතියේ පුරෝගාමීන්ය —
“Study in Sri Lanka and Work in Japan as an IT Professional.”
ඉදිරියේදී ජපානයක් මෙන් ඉතා උසස් රටක රැකියාවක් සඳහා, ඒජන්ත මහත්වරුන්ට එකවර අධික මුදලක් ගෙවීම අවශ්‍ය නැත.

LNBTI ශිෂ්‍යයන්ට දැන් මාර්ගය පැහැදිලි ය:

- 1) LNBTI හි IT අධ්‍යයනය අවංකව කරගෙන පරීක්ෂණ සාර්ථකව සමත් වීම.
- 2) JLPT N3 හි මට්ටමක් වත් සමත් විය හැකි පරිදි ජපන් භාෂා දක්ෂතාවය වර්ධනය කිරීම.
- 3) ජපාන සමාගම්වල සම්මුඛ පරීක්ෂණ සාර්ථකව සමත් වීම.

මෙහිදී අවධානය යොමු කළ යුත්තේ — IT දැනුම සහ ජපන් භාෂා දැනුම දෙකම සමාන ලෙස වැදගත් බවටය.

එකක් පමණක් හෝ තිබුණත්, දෙකම නොමැති නම් ජපානයේ වෘත්තීය රැකියාවක් ලබා ගැනීම ඉතා අපහසුය. කිසිසේත්ම බැහැරි කියා සිතීම වඩා නිවැරදියි.

දැන් ඔබටත් එම සිහිනයට ළඟා විය හැක —
“අම්මා / තාත්තා, මට ජපානයට ගොස් ජපාන IT සමාගමක වැඩ කිරීමට අවසර දෙන්න!”

මෙවැනි පතිවිඩයක් ශිෂ්‍යයාගේ හෝ දෙමාපියන්ගේ පමණක් නොව, LNBTI හි අප සැමගේ සිහිනයකි.

අපට දැකීමට අවශ්‍යම දෙය වන්නේ — ඔබගේ සතුටු සහ අභිමානවත් මුණු, ඔබේ සාර්ථකත්වය පමණකි. ඒ සඳහා ඔබට අවශ්‍ය වන්නේ ජපාන වෘත්තීය සත්‍යත්වයට ගැලපෙන හැසිරීම් හා මනෝභාවයන් පෝෂණය කිරීමයි.

ජපාන සමාගම් දැන්ම තියා ඔබ වැනි දක්ෂ තරුණයින් LNBTI මගින් පිට වන තෙක් බලා සිටී.

එබැවින් ඔබේ හැසිරීම හා මනෝභාවය අදම, දැන්ම, ජපානයට ගැලපෙන පරිදි වෙනස් කරන්න.

ඔබට හොඳම සුභපැතුම්!
