MAHARAGAMA, SRI LANKA.**

CORE MODULES

Foundation Programme – 1 Year (After O/L)

SEMESTER A

Essentials of ICT
English for ICT
Introduction to programming
Career development

SEMESTER B

Mathematics for ICT
Introduction to Project Development
Internet and web development
Data and Databases

1st Year

SEMESTER 01

Japanese Language I
Communication Skills
Computer Fundamentals
Multimedia and Computer Graphics
Programming Methodologies
Systems Analysis and Design

SEMESTER 02

Japanese Language II
Mathematics I for Comp
Object Oriented Programming
Technologies for Web development
Business Management I
Database Systems I

2nd Year

SEMESTER 03

Japanese Language III
Mathematics II for Comp
Data Structures and Algorithms
Software Engineering
Computer Networks and Security
Software Testing
Technical Writing

SEMESTER 04

Japanese Language IV
Mathematics III for Comp
Web Programming
Project Management
Database Systems II
Embedded Systems

3rd Year

SEMESTER 05

Japanese Language V
Mathematics IV for Comp
Research Methodology
Computer Architecture
Software Development Group Project
Software Quality Assurance
Operating Systems

SEMESTER 06

Industrial Training (Year Long)
Japanese Language VI

Select minimum 1 optional course units

E-Commerce
Management Information Systems
Business Intelligence
Cyber Security and Forensics
Data Science
Mobile Application Development

4th Year

SEMESTER 07

Human Computer Interaction & Design
Information & Content Management
Core Project (Year Long)
Japanese way of doing business I

SEMESTER 08

Requirements Management
Database Management & Administration
Core Project (Year Long)
Japanese way of doing business II

No A/L Passes? No problem!

We believe in second chances and strong futures.

Students who couldn't pass A/Ls can still step into the IT field through our Foundation Programme, crafted to prepare you for degree level study.

Foundation Fee: Rs. 75,000

After completing it, you can smoothly progress into the degree programme.

BSC (HONS) COMPUTING (INFORMATION SYSTEMS)

Entry Requirements

- Passed all three (3) subjects with Simple Passes in any stream in G C E Advanced Level (Sri Lanka) in one sitting
OR
- Passed all three (3) subjects with simple passes in any stream in Advanced Level (London [EDEXCEL/Cambridge])
OR
- After O/L one-year full-time valid foundation
- Candidates must have a credit pass (C) in Mathematics and English at the G.C.E Ordinary level conducted by the Department of Examination of Sri Lanka.

Students who have not yet completed this requirement are still eligible to enroll. However, they must fulfill this requirement within the first year of their degree program.

A/Ls with minimum 3"S" passes
or without A/Ls join through the Foundation programme.
After O/L - 1 Year

Join the Japanese IT Industry with a globally accepted British Computing Degree in Sri Lanka
